PUBLICATIONS DETAIL

1. **2021-2024** (41 months) - As a **Co-Founder** of **PY Designs**, I played a key role in shaping the vision and mission of our **architecture and interior design consulting firm**. I was responsible for leading the design and strategic initiatives, building client relationships, Site Management and fostering a collaborative team environment. My expertise has driven the company's commitment to deliver innovative and high-quality design solutions in Visakhapatnam.
2. **2022 - 2023** (12 months) - As the **Charter President** of **Business Network International (BNI), Sparkles chapter, Visakhapatnam**, I had this incredible opportunity to help launch our chapter from the ground up. It was both challenging and rewarding to bring together **a synergetic group of 46 entrepreneurs and business owners**, creating a supportive community where we could share ideas and help each other grow. I cherished the chance to build genuine relationships and see our members thrive through collaboration and referrals. This experience has strengthened my leadership skills.
